17. This award is intended to provide financial support for a student who is willing to assist in caring for teaching materials during the next academic year. The time obligation is 50 hours per semester, according to a schedule set in consultation with a sponsoring faculty member. In addition to submitting application materials, students applying for this award should secure sponsorship by a natural resources faculty member. Examples of duties:

- Measuring materials
- Photographic and remote sensing materials
- Herbarium collection
- Wildlife collection
- Fire tools
- Soil and water collection and analysis materials
- Wood samples
- Insect collection

Write a brief statement (one page only) indicating particular interests and skills you have which equip you to carry out work assignment(s) above.
